

SPG Pre-Series Tooling & Prototyping B.V.

Nederweert

The environmental management system of **SPG Pre-Series Tooling & Prototyping B.V.** and the application thereof complies with the requirements as stipulated in the standard:

NEN-EN-ISO 14001:2015

including the current version of the underlying SCCM scheme.

Evaluation of the environmental management system took place in accordance with TÜV Nederland's certification regulations for the field of application:

Project coordination (concerning quality, cost, delivery time and technology) between customer and supplier network for prototypes, series of products and tooling including acquisition, subcontracting, internal production by moulding and parts assembly.

This certification is subject to annual evaluation by TÜV Nederland.
